On Thursday, May 14 the Carolinas Chapter of ICRI joined with the Waterproofing Contractors Association for their second annual ICRI/WCA Spring Classic Golf Tournament to benefit the respective scholarship programs of the two organizations. Twelve teams representing 48 golfers came to The Challenge Golf Club in Graham, NC for a lunch of grilled hamburgers and hot dogs followed by an afternoon of golf under ideal conditions. The event netted over \$1000 each for the two organizations' scholarship programs

The scholarship fund raiser was not only supported by individual members but also their companies. A special thanks to Presenting Sponsor Guaranteed Supply Company, the Hole Sponsors: Carolina Restoration & Waterproofing (3), Capital Restoration & Waterproofing, Stone Restoration, and White Cap Construction Supply, along with Range Ball Sponsor Blair-Duron Restoration.

Special thanks to the Golf Tournament Committee of Mark Hollander, John McDougall and Mark O'Brien.
