## Meet Our Speakers for the 2012 Spring Conference:

### **Charles Muldrow, AIA, LEED AP, STUBBS MULDROW HERIN Architects, Inc., Mt. Pleasant, SC**

Charles Muldrow, a Clemson University alumnus, is a founding partner and design principal of Stubbs Muldrow Herin architects. Charles has a unique enthusiasm for solving design challenges while creating a space that 'lifts the spirits of its users.' Some of his designs include Blackbaud Corporate Headquarters and First Citizens Plaza on Daniel Island, The Church of the Holy Cross on Sullivan's Island and Cross Creek Mixed Use Development in Charleston. Charles has also been named one of Charleston Regional Business Journal's '40 Under 40' and was selected twice as Charleston Contractors' Association's Architect of the Year. As an active member of the local community, Charles is active with the Charleston Building Enclosure Council Board and is its past chairman. During his tenure on the BEC Charleston Board and his involvement with the East Cooper Rotary Club, he spearheaded the Net Zero Energy house for East Cooper Habitat for Humanity. Charles is a past WCA presenter on the topic of Air Barriers.

### **Dennis Kelley, National Brand Manager CHEM LINK Products, Kalamazoo, MI**

Dennis has been in the sealants and waterproofing industry since 1988 after receiving his BA from the University of Minnesota. He has worked as a field technical services representative throughout North America troubleshooting sealant and waterproofing issues. His work with commercial distribution and professional contractors has given him a unique insight into the challenges we face in the industry.

As product development manager Dennis has grown the sales of polyether-based products by 25% annually for the past 4 years in his current position. He is the National Brand Manager for CHEM LINK Products and is responsible for the sales and branding of polyether sealants, roofing adhesives and waterproofing materials. Member of SWR, AAMA, Passive House Alliance, NRCA, WSRCA & RCI.

### **A.J. Gillum, PE, Restoration Manager Carl Walker, Inc., Charlotte, NC**

A.J. Gillum, P.E. is Restoration Manager for Carl Walker, a national parking consulting firm with regional offices throughout the United States. Gillum has an extensive background in the evaluation and restoration of precast, posttensioned and conventionally reinforced concrete parking structures, sports facilities and building facades. Recognized as one of the most respected and experienced companies in the parking industry, Carl Walker, Inc. operates 10 offices nationwide that specialize in parking planning, parking structure design and the restoration of parking structures, plazas and facades.

### **Dale Smart, Southeast Senior Representative & Architectural Specialist Tremco, Dawsonville, GA**

Dale Smart is a native of South Carolina where he graduated with a BS Degree in Management from Charleston Southern University. Mr. Smart began his career with Milliken Textile Corporation in production management. In 1974, his career turned to sales and sales management with Burris Chemical Manufacturing and Distribution Company.

In 1984, Mr. Smart joined the GE Company, Silicone Product Division where he developed a strong interest in Construction Sales. There he worked in Field Marketing Development and Sales Management until he joined the Tremco, Inc. Division of the RPM Corporation. Mr. Smart is the Senior Salesman for Tremco, Inc. in Atlanta GA and has attained the designation of CDT (Certified Document Technologist) from the CSI (Construction Specifications Institute). He continues his education as he recently received ABAA (Air Barrier Association of America) Certification and through various sources has gained extensive knowledge of air and moisture management and the building envelope. He has served three terms as Membership Chairman, two as Chair for Technical Programs and three as a member of the Board of Directors for Atlanta CSI. He also served as 2005 President of the Georgia Chapter of ICRI (International Concrete Repair Institute) winning an "Outstanding Chapter Designation".

## NEW ADDRESS FOR WCA

Effective no later than February 1, 2012 (and maybe sooner) the mailing address of the WCA (and ICRI Carolinas) will change; that means Kit and Kelly have downsized and moved. The new address is:

839 Finnbar Drive,  
Cary, NC 27519

Please make this change in your contact manager and with accounting on any checks for WCA or ICRI Carolinas Chapter.

**Andy Anderson, Attorney-at-Law & Partner  
Anderson Jones, PLLC, Raleigh, NC**

V.A. "Andy" Anderson is a partner in the law firm of Anderson Jones, PLLC in Raleigh, NC and is in his twenty-first year of practice. He is a native of Dunn, North Carolina and currently resides in Clayton, North Carolina. Prior to entering the legal profession, Andy worked for a commercial contractor part time for four years and full time for 10 years. Andy also served as Vice President of Mid-South Construction, a commercial general contractor.

Andy received his Bachelor of Arts degree from Campbell University in 1985 and Campbell University Law School in 1988. Andy is a member of the North Carolina Bar Association and Construction Law Section, is a certified Superior Court mediator and is a former member of the North Carolina Construction Law Council. He has given numerous seminars on construction matters and has taught seminars for Carolinas AGC, ABC, Mechanical Contractors of North Carolina, North Carolina Association of Electrical Contractors, Waterproofing Contractors of America, North Carolina Homebuilders, Carolinas Roofing and Sheet Metal Contractors Association and others and Continuing Legal Education classes for attorneys in construction law and OSHA defense.

He has extensive experience and represents owners, corporations, public entities, trade associations, design professionals, general contractors, subcontractors and suppliers in litigation and transactional matters, collections, lien and bond claims, construction disputes, administrative law, OSHA defense, contracts, licensing and related legal matters.

**Stephen Robinson, PE  
Sutton-Kennerly & Associates, Greensboro, NC**

Stephen has been employed by Sutton-Kennerly & Associates, Inc., in Greensboro since 1997. He is the Department Manager for the Building Investigation & Diagnostic Department. The department specializes in the investigation and design of rehabilitation of building envelopes to include roof, wall, window, door, and cladding systems. He has experience on a wide range of building envelope projects that include hospitals, condominiums, and office buildings. He has Bachelor of Science and Master of Civil Engineering degrees from North Carolina State University. He lives in Oak Ridge, North Carolina with his wife and two children - ages 9 and 6.

**Nick Tribble, Designer  
Sutton-Kennerly & Associates, Greensboro, NC**

Nick been employed by Sutton-Kennerly & Associates, Inc., in Greensboro since 2001. He is a Designer in the Building Investigation & Diagnostic Department. Nicholas has considerable experience with field testing and review of façade components in brick clad structures, EIFS and Stucco clad structures, stadiums, residential and historic structures. Since 2002, Nicholas has primarily focused on Contract Administration on various projects, providing extensive observations and testing throughout the building remediation phase. He has a degree in Architectural Technologies from Guilford Tech and lives in High Point, North Carolina with his wife and two children – ages 9 and 4.
